

Electronic Voter Information

Candidate: Bill Maxwell
Bluffdale City Council

Age: 53

Occupation: Commercial Trucking Insurance Sales

City of Residence: Bluffdale, UT

Years of residence in Bluffdale: 15 years

Email Address: mtnstates1@integra.net

Issues that I stand for;

One acre zoning

Low taxes

Minimal government intervention in citizens lives

Provide only for Basic Government services. Government should stay out of the public sectors business and not compete with them on the services they provide.

Bluffdale can remain a unique place with proper planning, reasonable zoning and an efficiently run city hall. We need not be a follower and just accept what other cities have accepted as common practices. It is my desire that we promote a community where people come to invest in a little more property so that they can raise their families and have large animals, large gardens and some personal open space. Bluffdale does not have to look like every other city in the valley. Bluffdale is "Unique" and with proper leadership there is no reason it cannot remain Unique. I stand committed to providing that leadership.
