

**BRUCE M. KARTCHNER** - I grew up in the small, southeastern Utah town of Blanding. I have lived in Bluffdale for over 13 years and I love our city. I am married with six daughters. I earned my bachelor's and master's degrees in accounting from BYU and have been CPA over 26 years. I am currently a managing member of HJ & Associates, LLC.

I have served as the Bluffdale city treasurer for over 5 years and I am just finishing my first term on the Bluffdale city council.

Two of the most important issues for Bluffdale continue to be: 1) providing core services in a fiscally responsible manner, and 2) effectively planning for the growth and development of our city without changing its unique character. My occupation and experience on the city council have helped me develop the skills which will allow me to continue to effectively address these issues.

I enjoy working with people from different backgrounds who may have differing goals and expectations. By building bridges between diverse interests and opinions, we can all help Bluffdale continue to be a wonderful city.
