# VARIANCE REQUEST INFORMATION

**PLEASE NOTE:** This questionnaire must be submitted with a complete application to the Hearing Officer and payment of all required fees. Please provide the following information. You may use additional sheets if necessary.

1. Describe your proposed construction and specifically how it would not meet the requirements of the zoning ordinance.

2. Explain how the literal enforcement of the zoning ordinance causes an unreasonable hardship that is not necessary in carrying out the general purpose of the zoning ordinance.

3. Explain what special circumstances exist on the property, which do not apply to other properties in the same zoning district. (The Hearing Officer must identify a property-related hardship before granting a variance. Such special circumstances may not be self-imposed or economic.)

4. Explain how the variance will be essential to the enjoyment of a substantial property right possessed by other properties in the same zoning district.

5. Explain how the variance would uphold the general plan and not negatively affect the public interest.

6. Explain how this variance will observe the spirit of the zoning ordinance and the general plan.
