**COMMUNTER SHUTTLE  
SERVICE**

Herriman city, together with Riverton and Bluffdale, has begun a commuter shuttle service. The commuter shuttle consists of a 12-passenger van and operates Mondays through Fridays, except holidays. The fare is \$1 per boarding. Exact fare is required. The shuttle takes commuters from various pickup points within the three cities to the TRAX station at 10000 S. State and returns passengers to the original location.

**RECREATION CALENDAR**

Mark your calendars for our free community recreation spring/summer events.

- **FREE EASTER EGG HUNT** April 7, 9:00AM SHARP
- **ARBOR DAY CELEBRATION**, Friday, April 27, 6:30PM-Dark
- **TOWN DAYS, "It's a Home Town Tradition."** Thursday-Saturday, June 14-16.

**TOWN DAYS 2007 "IT'S A HOME TOWN TRADITION"**

**TOWN DAYS 2007 June 14, 15 & 16, 2007**

Mark your calendars now for our yearly tradition Town Days celebration. This year we will be featuring the Badlands 5k & 10k fun run, parade, entertainment, car and tractor show, children's games, ping pong ball drop, local food vendors, helicopter rides as well as the Lions Club annual Breakfast and Demolition Derby. Come share the tradition with us. Do you play piano, flute, violin or any other instrument? Do you sing, dance, or do karate? Are you looking for a venue to perform a recital, play or showcase your talent? **GREAT NEWS.** Were looking for local talent (See Back Flyer)

**REFEREDUM VOTE**

The Bluffdale City election regarding the referendum vote is scheduled for **Tuesday, June 26, 2007.** Make sure to mark your calendars and plan on exercising your rights to decide the form of government in Bluffdale City.

**PUBLIC WORKS DEPARTMENT  
"PRIDE IN SERVICE"**

**Spring Cleaning**

Time to clean up the City. Once again, Bluffdale City will be holding the annual City Wide Clean Up for non hazardous green waist and trash beginning April 7-21. Large dumpsters will be in placed in the main city park at 2200 West and 14400 South for citizen usage. Please remember that tires, batteries, oil, gas or any flammable fluid, large appliances, paint will not be accepted. Also, please separate green waist ( tree limbs, shrubs, flowers, plants, etc.) from the trash as we plan on chipping the wood products to make mulch for our City trees. Wood with nails, staples, tacks, metal edging, or any other metal will disqualify it from green waist. We are still accepting old Christmas trees for mulching purposes as well.

**Spring Tree Care**

A lot of homeowners think of mulch as strictly cosmetic, just something to make the place look good. And it's true that mulch around the base of trees and shrubs does improve property appearance.

It makes maintenance a whole lot easier, and provides other benefits that are underground and out of sight. Mulch applied around your trees each year reduces water stress, weeds and damage to trees.

Many materials work well as mulch, with wood products being the most common.

Early Spring is a good time to think about pruning. Deciduous trees and shrubs can be shaped and cut back before growth starts so they will grow and bloom as we wish. Where should we begin? Removing dead branches is a good place to start. How can you tell if a branch is dead when it has no leaves? Look at the end. Live branches will have small twigs and swelling buds. Live stems and branches are flexible and bend. Dead branches snap off when you bend them and they may have peeling bark. If you aren't sure about some, then wait until the leaves come out. Pruning also should remove broken, crossed, or rubbing branches, plus ones that are unbalanced, are too long, or ruin the shape of the tree. Lets take care of our trees.

Pruning also should remove broken, crossed, or rubbing branches, plus ones that are unbalanced, are too long, or ruin the shape of the tree. Lets take care of our trees.

**Potholes, Potholes, Potholes, Everywhere**

Thank you for your patience with regards to the recent rash of potholes on our city roads. Potholes are created in a number of ways. The most common cause is the freeze/thaw cycle. The ice/snow melts during the day filling cracks with water. At night the water freezes and expands, popping out the asphalt. We are working feverishly trying to repair the holes in the streets. Potholes and other roadway failures are repaired by the Street Division in order of priority. This spring several Bluffdale City roads will be overlaid and refinished. Thank you for driving slowly and feel free to contact us if you see a new holes in the roads.

# 2007 Entertainment Application

*"It's a Home Town Tradition."*

Bluffdale Town Days  
14175 South Redwood Road  
Bluffdale, Utah 84065

Fax: (801) 254-2200 X 31 -- E-mail: [hbateman@bluffdale.com](mailto:hbateman@bluffdale.com)

Please complete this form and return it, along with any promotional materials (will not be returned) you wish to include, to the above address by May 1, 2007. Local talent is strongly encouraged to participate. Previous experience is not required.
