ADDRESSING PROBLEMS

City Staff has recently discovered several addressing problems within our city. It is important to have addressing consistent with county policies so that emergency response will not be inhibited. It appears that these problems date back to about 2000. Salt Lake County has given the City some recommendations on how to correct the problems.

The City has tentatively chosen August 30 as the conversion date—the date when we hope to have all the addressing issues corrected.

Staff will be visiting properties, photographing, and analyzing the type and scope of the problems. More information will be forthcoming as we understand how many addresses are affected. We will be sending written notices to each property owner and posting information on www.bluffdale.com.

UPCOMING EVENTS

Bluffdale Lions Club Turkey Shoot
Saturday April 19, 2008 10 a.m. to Dusk

For more information and registration forms for any of these events, please visit our website at www.bluffdale.com or call 801.254.2200.

March 31, 2008

Re: Blueprint Jordan River

Dear Resident:

I am writing to personally invite you to take part in an important public workshop to help explore the Jordan River's future. This major effort, known as *Blueprint Jordan River*, is the first comprehensive look at the river's entire length. All 15 municipalities and three counties along the river are participating. Denver, Boise and other communities have reclaimed their urban rivers, and we can, too!

Blueprint Jordan River aims to learn the most broadly supported ideas on how to enhance the river as well as the surrounding trails and the form of new buildings.

Workshops are being held the first two weeks of May. The results of these workshops will become a vision for the river corridor. The vision will then be translated into an action plan to shape the river corridor now and for the next few decades.

I hope you will join me and many other residents and elected officials at one of these important events, which begin promptly at 6:00 p.m.:

Tues., May 6th	Sandy City Hall, 10000 Centennial Parkway (upstairs room)
Wed., May 7th	Salt Lake Community College, 4600 Redwood Rd. (Oak Room - Student Union)
Thurs., May 8th	Day Riverside Library, 1575 W. 100 N. in Salt Lake City
Tues., May 13th	Utah Cultural Center, 1355 W. 3100 S. in West Valley City
Wed., May 14th	Bluffdale Elementary School, 14323 S. 2700 W. in Bluffdale
Thurs., May 15th	Saratoga Shores Elementary School, 1415 S. Parkside Dr. in Saratoga Springs

Please help us plan on your attendance by contacting Mary at (801) 303-1459 or mdavies@envisionutah.org. The RSVP must be received the day before each workshop so we can plan the workshop materials and light refreshments. If you are unable to attend a workshop but still want to share your opinion, please go to www.blueprint.slco.org, starting May 1st, to complete the same survey that will be used at the workshops.

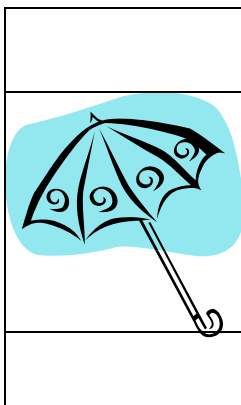

From Lehi to North Salt Lake, the Jordan River remains a unique opportunity. With creativity and leadership, we can turn a sometimes neglected and underappreciated resource into one of the signature elements of the Wasatch Front. I hope you'll attend one of these workshops.

Sincerely,

Vaughn R. Pickell, Esq.
Community Development Director/Acting City Manager

BUSINESS LICENSES

Just a reminder, all business licenses for January, February and March are now past due. Late fees will accrue beginning April 15th. For questions, please contact Kim at 254.2200.

BLUFFDALE ARTS ADVISORY BOARD

Are you interested in being participating in the fine arts in your community? The City of Bluffdale is accepting applications from interested persons to reconstitute the Bluffdale Arts Advisory Board (BAAB)? Board members should possess a demonstrated interest and involvement in the arts, including music, dramatic arts, visual arts, and cultural arts. The term of appointment is 3 years. If you are interested, please fill out an application (available on www.bluffdale.com) and submit it to Teddie Bell at the new Fire Station, 14350 South 2200 West.
