ADDRESSING PROBLEMS

City Staff has recently discovered several addressing problems within our city. It is important to have addressing consistent with county policies so that emergency response will not be inhibited. It appears that these problems date back to about 2000. Salt Lake County has given the City some recommendations on how to correct the problems.

The City has tentatively chosen August 30 as the conversion date—the date when we hope to have all the addressing issues corrected.

Staff will be visiting properties, photographing, and analyzing the type and scope of the problems. More information will be forthcoming as we understand how many addresses are affected. We will be sending written notices to each property owner and posting information on www.bluffdale.com.

BLOOD DRIVE

The American Red Cross will be in Bluffdale on May 15, 2008 for its second of three blood drives in Bluffdale. All adults are encouraged to give blood. The drive will be held at the Bluffdale LDS Church at 14662 South 3200 West from 3 pm to 8 pm.

BE A HERO - SAVE A LIFE - GIVE BLOOD

ARBOR DAY

Bluffdale city's Arbor Day celebration was held on April 25, 2008. Although a little cold the Bluffdale Elementary First graders in attendance along with other residents enjoyed the celebration. The first graders brought some dirt from home and placed in around the new Burr-Oak tree that was planted. Mayor Anderson gave a nice presentation and accepted the Tree City USA Award and flag on behalf of the city. The flag is now flying in the park. Thank you to all who participated!
