BLUFFDALE TOWN DAYS

JUNE 18TH AND 19TH 2010

We are looking for VOLUNTEERS to participate in planning this exciting, fun filled celebration.

To volunteer call Bluffdale City at 801.254.2200

MAYOR'S MESSAGE

I have now been Mayor of a couple of months and have had many opportunities to attend meetings and events. I have done my best to represent Bluffdale well. I have taken opportunities to build relationships among our neighboring friends in Riverton and Herriman. I feel if we can build a relationship with our neighbors we can collaborate on what is important to each city. Now that we are taking steps to increase our police coverage in our city, Riverton has resolved to provide mutual aid between our cities.

Last month the city requested volunteers to help with Town Days, Miss Bluffdale, and the Bluffdale Art Advisory Board. There have been few volunteers but I'm hopeful there will be more volunteers coming forth. We are getting a late start on Town Days, the Miss Bluffdale Pageant, and the Arts Council, however, I feel they are very important to tie our community together so I'm asking for your support and help. I'm focusing on finding ways for the success of each volunteer board. With the help of the previous year's board's we hope to learn from the past rather than start over each year. Any ideas are welcome and I would appreciate hearing from you. I'm focused on ensuring our volunteers, who are willing to spend much of their precious time on behalf of each of us, are given the opportunity and freedom to express their talents.

The city is working with city residents, UDOT, landowners, leaders from neighboring cities, and potential developers to design and develop the Porter Rockwell Boulevard. While its development is a long term goal, it is an important part of our General Plan. Open and active communication with all of these stakeholders will help the city create planning and zoning requirements and local transportation corridors which will attract and encourage economic development to the area served by Porter Rockwell. We will see the benefits of these current actions far in to the future."

BUILDING DEPARTMENT REMINDER

It's spring and time to make some improvements around the house and yard. The Bluffdale City Building Department would like to remind all citizens to check with the Building Department before starting any type of construction to see if a permit is necessary. You can also check our website, www.bluffdale.com, for a list of projects that are exempt from needing a permit. Construction that has begun without the proper permits may be subject to penalties, including double the cost of the permit.
