The trash cans will be brown and the recycle cans will be blue. Both cans will be 96 gallons. The pickup dates should not change from the current schedule nor will the cost be affected.

BLUFFDALE CITIZEN SPOTLIGHT PENNY TUCKER

"My mom is amazing" says Ashley Tucker, daughter of Penny Tucker. "You probably get that a lot but my mom is really different." Penny is the mother of four children, three of which have Down Syndrome along with other side effects such as intestinal issues, in remission or leukemia cancer (AML), asthma partial deafness, and many others.

Ashley says that her mom makes sure that they all have everything they need and has sacrificed so much to be able to care for her kids. She not only takes care of her family but she takes care of everyone around the neighborhood. She is extremely loving and does everything for those around her. Penny is compassionate, loving, kind, astonishing and she sacrifices so much. She truly knows how to forget herself and go to work.

MAYOR'S MESSAGE

It has been a busy summer for all who have been volunteers in the city. The Bluffdale Arts Advisory Board is one of the groups who have volunteered many hours to present "Annie". For those who attended the play I'm sure you found it as memorable as I did. I found myself thinking about the play many days afterward. Thanks to all those who participated in any way. The many cast members were amazing and the live orchestra took it over the top. If you missed the play look for other opportunities to see presentations by the Arts Advisory Board who are well organized, professional, and committed to make the arts an important part of the city.

According to a few cowboys who participated in the recent successful rodeo, Bluffdale City has one of the best rodeo arenas in the state. We now have lights in the arena which are much nicer than the rented, noisy, lights which have been used in the past. We have everything we need to have one of the best rodeos in the State. Volunteers are needed to make next year's rodeo successful by building upon the successes of this year. We already have a few volunteers. If you would like to volunteer please call Terri at the City (801) 254-2200.

I strongly support the City Council who made some strategic decisions, with perfect timing, to allow the future Porter Rockwell Blvd to be moved to a position which will benefit the city for future economic development as well as moving future Herriman traffic around the outside of our city. The future Porter Rockwell Blvd will connect the Mountain View Corridor to I-15. This regionally significant road will be needed to prevent us from becoming a city that is inundated with traffic from neighboring cities as Lehi City in Utah County has.

Judge Reed Parkin, who has served Bluffdale City well, has left to be a full-time Judge for Orem City. Our new Judge is Darwin Poulsen. Judge Poulsen served as our Judge from 2004 to 2005, prior to serving a mission for the Church of Jesus Christ of Latter-day Saints. I'm confident he will serve us well as he did in the past.

If you would like to volunteer for 2011 Town Days, Miss Bluffdale, the Rodeo, or the citizen committees please contact me or Terri Bawden at the city and we will be glad to have you on board to help Bluffdale City be the place you can enjoy calling home.

Mayor Timothy
