

Bluffdale City
Water Supply Project – Pump Station
Pre-Qualification List

Bluffdale City appreciates the time and effort spent by each of the participating firms. We recognize the considerable effort that it takes to put a qualification package together.

We understand that each firm has a diverse background and we encourage those firms that did not qualify for this particular project to look for projects sponsored by Bluffdale City in the future that better fit their qualifications.

Upon review of the submitted qualifications, Bluffdale City has found the following firms meet the rigorous requirements that this project demands.

Absolute Constructors

Associated Brigham Contractors

COP Construction

Counterpoint Construction

Gerber Construction

Hills Construction

Jacobsen Construction Company

VanCon

Whitaker Construction Company
